

Partners with Silver Fleet for Bespoke Events

September 2008 - London

élan productions, the conceptual event management and production company is to collaborate with the luxury venue and cruise company Silver Fleet, as partner for Bespoke Events for 2008-9. The London based Event Company, are to design and produce stunning backdrops onboard all of the three Silver Fleet vessels for their clients.

Company owner, Dee Thomsen, is forging ahead to ensure the élan brand is affiliated with like-minded businesses. "Every client deserves to have the perfect event. Working in partnership with a luxury brand like Silver Fleet, secures standards of excellence. I believe élan's flair for creativity and attention to detail will produce perfect settings for our clientele to enjoy their river experience events."

Each of the boats, Silver Sturgeon, Silver Barracuda and Royal Nore, are available for clients to hire for any event type. élan will create an installation from concept. With in-depth knowledge of all decks plus Savoy Pier, the client will be visually shown how to transform the vessels into a conference space, dining extravaganza, an exhibition space for product launch, or a luxury party!

élan's in-house creative, technical and logistical team has worked for over 10 years with high profile celebrity, corporate and private clients. They have worked all over the world designing and producing the most dramatic and inspiring events ever seen.

élan productions will bring new and fabulous ways of performing events on the river!

The launch of élan productions' partnership with Silver Fleet will take place on Tuesday the 9th of September 2008, with bookings being taken with immediate effect.
