Silver Sturgeon's interiors and decks have been created by leading British designers and architects as light, luxe, relaxing spaces in warm, natural colours featuring pure white, oak, grey bird's eye maple & chestnut - the perfect venue for 50 to 550 guests.

LUXE SPACES

ENSIGN ROOM

The Ensign Room features a dramatic bar with a marquetry facade, together with a subtle, pure wool carpet, which reflects the shimmering curves of the Thames' banks. The Open Deck is the perfect area to delight in the sights, or to enjoy the theatre of our Chefs preparing a delicious BBQ for your guests.

RIVER ROOM

The spacious River Room is perfect for large or small dining events and features woven Missoni flooring, oak dance floor and a curvaceous glass staircase with discreetly illuminated treads, leading up to the open air Upper Deck. A sophisticated, yet subtle lighting system has been designed for the vessel by the internationally renowned, Sally Storey.

FEASTING

From field to fork, London's inspiring restaurant scene is reflected in our ever-changing menus & styling — from afternoon tea to Michelin starred. Whether you plan to indulge your guests with a 5-course seated lunch or dinner, relaxed bowl food, on deck BBQ or a selection of decadent canapés, we have a myriad of options for you. Alternatively, our Head Chef Marcus Cunningham can create a bespoke, one-off menu for your event.

FOOD PHILOSOPHY

Marcus' food philosophy is sustainably grown and responsibly sourced. He is dedicated to finding the freshest seasonal ingredients from British suppliers and growers, whether artisan East-end dried meats, Oxfordshire-reared, chicory and clover fed lamb or traditional British fruits and vegetables. In this way, from farm to plate, Marcus and his team are able to expand the Woods' Silver Fleet ethos of championing the best that British suppliers have to offer.

YOUR PRIVATE CHARTER

The Woods' Silver Fleet events team and crew are here to help you create your bespoke private charter. Make an impact with riverside projections, branded lighting, fireworks, your own soundtrack created by a DJ or a personalised river map - the options are endless. We look forward to welcoming you on board.
